FashionableReplica.com manufactures and sells the most perfect designer bags replicas available on the market: we only carry true seven star mirror image replicas of LV, CHANEL,Dior,FENDI,Hermes and CHLOE bags. We are now extending our talent in crafting perfect imitations of other prestigious brandnames.

Our true seven star mirror image replicas handbags are so perfect that even if you let people know there are replicas, they would just not believe you!

We do not compromise with quality. Our manufacturing facilities integrate ISO 2001 notions and management. We have also set up a dual quality control procedure in our factory. All items are checked twice: once at the end of the production line and once prior to being shipped. This guarantees the lowest possible defect rate! Perfection is our obsession!

All of our LV bags come with the LV dust bag, LV cards and also the copy of the LV genuine **receipt** by an

official exclusive LV store. Our Chanel bags come with Dust bag, authenticity card, hologram serial number and care booklet. Our FENDI replica handbags come with dust bag, tags, yellow care booklets, Fendi Controllato card which guarantees authenticity, and a copy of the genuine **receipt** by an official Fendi store.

Our Louis Vuitton replicas are made from the same materials as originals: oxidizing cowhide leather, correct markings, YKK zippers , upside down LVs on relevant designs, brass hardware, raspberry Alacantha lining, murakamis in 33 colors ,models and serial numbers and heat embossed stamps just like the original designer bags.

We offer our clients retail and wholesale programs, as well as drop shipping services.

"Lets help each other make \$MONEY\$ online"

PLEASE READ TO THE END.....YOU WILL PROFIT FROM THIS!!!
This is an amazing thing. THIS REALLY WORKS!!! And it's legitimate, it's honest, it's legal, it actually works and you will definitely - DEFINITELY - make great extra money with this! Oprah Winfrey loved talking about it on her recent show, mostly because it can help regular everyday folks like you and I make GREAT extra cash! You won't be disappointed. I've already made enough to pay literally all my bills in the last couple of days, and all it cost me was 5 dollars, which I made back immediately, and then I started receiving so many gifts of cash!!!!
Make Money With Pay-pal!! Seen on Oprah!! Very Legit!

TRUE STORY --> June Alscar tells how she ran this gifting program four times last year. The first time, she received \$6,000+ in cash in two weeks and then \$14,000+ in cash the next three times. When this program is continued, as it should be, EVERYONE PROFITS!!
And the BEST part is that whenever you need extra cash, just start the program again.
Here is what you need to do:

ONLY 4 SIMPLE STEPS!

1. If you're not already a PayPal user, sign up at www.paypal.com (it doesn't cost anything and it is very easy)....make sure you sign up for a Premier or Business account (again, both are free). If you have a personal account already set up, just upgrade to a PREMIER or BUSINESS account (otherwise you won't be able to receive credit card payments from other people).
2. It is an undeniable law of the universe that we must first give in order to receive. So the first thing to do when you have your Premier/Business PayPal account is to IMMEDIATELY send a \$5 payment to the email address in position 1 or 2 below (depending on your birthday to help sort things out), along with a note in the subject line saying "Here is a \$5 gift for you!" Please remember to add the note about GIFT because it keeps this program legal. (PayPal knows about this, the government does too!...Even The Wall Street Journal reviewed it!).

1. JAN 1-JUNE 30 BIRTHDAY - Th475@AOL.com
2. JULY 1-DEC 31 BIRTHDAY - Mike5rou@yahoo.com

The steps on how to send \$5 to one of the above Email Address:

1. Log in to PayPal. Go to SEND MONEY tab.
2. Type in Recipients name: (Email address)
Subject: "EMAIL GIFT LETTER"
Category: "SERVICE"
Comments: "Here is a \$5 gift for you!" .
3. Next screen: CHECK PAYMENT DETAIL - Select "NO SHIPPING ADDRESS REQUIRED"
4. Send Money.
THAT'S IT. YOU'RE DONE!!

3. Now remove whichever email address you just sent \$5 to and replace it with YOUR email address that's registered with PayPal for future postings. VERY IMPORTANT: Use the same EMAIL ADDRESS that is registered with YOUR Paypal account or you won't receive your \$\$.

WHY THIS PROGRAM WORKS: the reason this program is SO SUCCESSFUL is because this is in 50 different message boards. There are only TWO outcomes (1) A person's birthday will fall on the same half as yours YOU GET \$5.00..OR (2) A person's birthday will fall on the other half of the timeline, therefore, YOU STAY IN YOUR POSITION posted in 50 other MESSAGE BOARDS, etc.

4. HOW TO POST TO NEWSGROUPS & MESSAGE BOARDS

Step #1) You do not need to re-type this entire letter to do your own posting. Simply put your CURSOR at the beginning of this letter and drag your CURSOR to the bottom of this document, and select 'copy' from the edit menu. This will copy the entire letter into your computer's temporary memory.

Step #2) Open a blank 'Notepad' file and place your cursor at the top of the blank page. From the 'Edit' menu select 'Paste'. This will paste a copy of the letter into notepad so that you can remove whichever email address you just sent \$5 to and replace it with YOUR email address that's registered with PayPal for future postings.

Step #3) Save your new Notepad file as a .txt file. If you want to do your postings in different sittings, you'll always have this file to go back to.

Step #4) Now copy and post this letter in at least 50 message boards, chat rooms, or newsgroups, online interactive sites, etc etc. Log on any search engine like yahoo.com, google.com, altavista.com, excite.com, etc., then search with the subject "millionaire message board; money making message board; employment message board; money making forum; business message board..." You will find thousands & thousands of message boards. Click on them one by one and you will find the option 'post a new message'. Then Post this article as a 'new message' by highlighting the text of this letter and selecting copy then paste from the edit menu. Fill in the Subject, this will be the header that everyone sees as they scroll through the list of postings in a particular group, click the post message button. You're done with your first one! It only takes about 60 seconds to complete postings on message boards after you catch on. REMEMBER, THE MORE NEWSGROUPS YOU POST IN, THE

MORE MONEY YOU WILL MAKE!!

You don't need to post to 200 groups (but you certainly can if you want to, since the more you post the more you make!!). This really works and is legitimate!! Just post it where at least 50 people will see it. Do it as many times as you can.

Now the fun happens! Other people will see your posting and do the exact same thing, bringing you lots and lots of dollars!! Seriously, it's common sense....you do it and 25 or more people see and do the same thing... so on and so forth...everyone wins! ACT FAST AND GET THE GIFT. HONESTY AND INTEGRITY MAKE THIS PLAN WORK!! DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU!

YOUR NAME COULD CYCLE FOR A LONG TIME! THIS MAKES IT THE GIFT THAT KEEPS ON GIVING.

Remember, all of this is ABSOLUTELY LEGAL! You are creating a service! If you have any doubts, please refer to Title 18 Sec. 1302 & 1241 of the United States Postal laws.

People have said, what if the plan is played out and no one sends you the money? So what are the chances of that happening when there are tons of new honest users and new honest people who are joining the internet and newsgroups everyday and are willing to give it a try? Estimates are at 20,000 to 50,000 new users, every day, with thousands of those joining the actual Internet. This program remains successful because of the honesty and integrity of the participants. Please continue its success by carefully adhering to the instructions. In this business your product is not solid and tangible, it's a service.

This is excellent easy, fast money to start or expand a business, buy your dream home, car and pay off whatever bills you may have.
Good luck and try it now! It works -it really works!!!!!!

THANK YOU, HAVE A NICE DAY!

Thanks for buying my template for Chloe receipts. This template was made completely by myself and is a replica of an original boutique receipt. You can now customise this for yourself by changing the store address, bags style, price, date ect.

Chloe receipts are printed on standard A4 paper. You should cut it to this size:

W 15" x H 19.5"

As stated in the ad, I give you full rights to print and sell these receipts, but I do not give the rights to resell the template.

Enjoy!

I sent you an e-mail a couple of days ago and was wondering if you sell luxury bags as well or just the receipt templates?

Thanks,

Ok I talked to my supplier last night the bag is in stock and ready to go, I paid for the bag this morning but the supplier is on the opposite time zone from me so communication takes a full day. I will have him email me tracking info as soon as it ships which should be tomorrow night? Delivery takes up to 10 days. Do you want me to use your paypal address? I need your shipping address. Thank you and I will keep you posted! ~NapaGirl~
P.s Would you like the receipt template now?

I think PP waits until the end of the day on the 10th so they should refund me tonight I HOPE. I want to place an order for some bags from a Tse agent (trustable) anyway so, I was thinking I could place my order for the 2 bags I need to order and also order your Chloe, I need them delivered to me so I can get my bags too. When I get my bags (she said 6 days for delivery) I would provide the tracking info as I receive it, then I would priority ship (2 days to you) or you could pay for over night delivery if you wanted. Here is what she has....

Let me know what you want do and I will do it, I really do apologize for the hassle. I got a hold of the guy a couple days ago and he said that a worker of his walked out on him, he said that the worker was the one who took the lost bags to the post office, and the same guy that quit changed his pp password and stole from him. I dont know if I believe him but what can I do.
